CLASS 11 G ARTS

Summer vacation homework of Economics for class XI

Learn and write answers of all questions in homework copy

1. Make a list of activities in a bus stand or a market place. How many of them are economic activities?
2. The Government and policy makers use statistical data to formulate suitable policies of economic development'. Illustrate with two examples.
3. "You have unlimited wants and limited resources to satisfy them." Explain this statement by giving two examples.
4. How will you choose the wants to be satisfied?
5. What are your reasons for studying Economics?
6. Statistical methods are no substitute for common sense. Comment with examples from your daily life.

Political Science class 11G

Constitution: Why and How?

1. "A constitution is a living document that fulfills multiple functions in a society." Discuss the four primary functions of a constitution in detail.
2. Analyze the factors that contributed to the authority and effectiveness of the Indian Constitution. Why was it successful while many other post-colonial constitutions failed?
3. Explain the "Substantive Provisions" of a constitution. How do these provisions ensure that a constitution is respected by all sections of society?
4. How does the Indian Constitution balance "Rigidity" and "Flexibility"? Discuss the importance of this balance for the long-term survival of a democratic framework.
5. Examine the composition and the working of the Constituent Assembly. How did its diverse membership and the "principle of deliberation" contribute to the legitimacy of the Indian Constitution?

Political Theory: An Introduction

1. Define Political Theory and explain its relevance in modern times. Why is it important for students and citizens to study political theory even if they do not intend to become politicians?
2. "Political Theory is not just about the study of past thinkers; it is about clarifying the concepts we use today." Discuss this statement with reference to concepts like freedom, equality, and justice.
3. Evaluate the role of Political Theory in uncovering the underlying prejudices and ideologies in our daily lives. How does it help us engage in a more reasoned and informed public debate?
4. Distinguish between "Politics" as practiced by politicians and "Political Science/Theory" as an academic discipline. Why is the latter considered a systematic study of power and values?

5. Explain how the emergence of new challenges (like globalization and digital privacy) necessitates the continuous evolution of Political Theory. Discuss with examples how old concepts are being re-interpreted for the contemporary world.

Std XIG HISTORY
